Over-Wintered Treatment Free Northern Bred Nuc Order Form (Mail this form with payment to Autumn Morning Farm)

These are Northern Bred Nucs raised and Over-Wintered right here in Central Massachusetts and are Treatment Free. They represent the best local honeybee stock currently available in central Massachusetts.

- Pickup date for Over-Wintered Treatment Free Northern Bred Nucs will be mid-May to mid-June. You will be contacted when we have a firm date for pickup.
- Nuc pickups are scheduled to allow inspection of queens and brood.
- Please plan to pick up between 7:00AM – 9:00AM (Bees will be confined in a Re-Usable Nuc Box)
- Over-Wintered Northern Bred Nucs include five deep frames of new comb 1 year old or less.
- Minimum 3 frames of brood. Queen is marked for easy identification.
- Queen choices are Italian, Varroa Sensitive Hygiene (VSH) or Buckfast.
- Our Locally Raised Queens are "Open Mated" at our local apiaries.
- Nucs come in a re-usable Jester's EZ Nuc Box.
- Need equipment? Call ahead or email. We will have your order ready when you pick up your Nuc.
- Full payment is due with your order (cash or check).
